EDUCATION

University of California, Irvine | Irvine, CA

September 2021 - June 2025

Pursuing B.S. Software Engineering, Political Science Minor

- Regent's Scholar
- Organizations: Student Housing, Student Life & Leadership, Women in Information and Computer Science (WICS), Design@UCI

SKILLS & TECHNICAL TOOLS

Languages: Python (Intermediate), HTML/CSS/Javascript (Beginner), Spanish (Intermediate Level, Bilingual Seal), C/C++ (Beginner), SQL (Beginner)

Technologies: Repl.it, V.S.Code, PyCharm

PROJECTS

MEALS4ME - <https://devpost.com/software/meals4me>

May 2023

- Web-based application intended to help individuals prepare meals
- I helped with the backend and frontend. For the backend, I tried to fetch data from the API using Python and parsing the data we got in a digestible format for the front-end developer
- I added alterations to the design of the website using HTML/CSS/Javascript

ZotHomes - <https://sabrinaaatang.github.io/WebJam2023/>

November 2023

- Built apartment surfing website specifically geared toward UC Irvine students to assist with housing search and alleviate ongoing housing crisis
- Used HTML/CSS and implemented API for map source

PROGRAMS

VenusHacks: Women-centric Hackathon hosted by UC Irvine

May 2023

CodePath: Introduction to Software Engineering/Technical Interview

June 2022 - August 2022

Harvard CSx50: Introduction to Computer Science

Present

Postman API Fundamentals Student Expert Certification

December 2023

EXPERIENCE

Intern | Stop AAPI Hate San Francisco, CA

June 2020 - May 2021

- I assisted in generating policy reports with the collaboration of 100+ interns which included data from 3,700+ self-reported hate incidents
- I participated in a nationwide conference to educate and engage AAPI youth across the U.S. through various workshops about AAPI history and intersectionality, and restorative justice practices
- During a student panel with Californian Superintendent Tony Thurmond and Californian Assemblymember David Chiu, I discussed ethnic studies curriculum and the implementation of anonymous reporting systems and racial affinity groups

Volunteer | LAC+USC Medical Center Los Angeles, CA

June 2021 - August 2021

- I transported 20+ patients and provided medical assistance to elderly and communicated in Spanish and English to a diverse range of patients (age and ethnicity wise). I organized files and data collection of volunteers as well as distributed clothes, food, and resources to long-term patients.

Intern | UC Irvine Libraries Irvine, CA

January 2022 - March 2022

- I assisted in social justice agendas for working-class Vietnamese and immigrant communities in Orange County
- I collaborated with 2 interns and VietRISE (an Orange County-based community organization) in order to digitize political tours of an ethnic enclave to preserve marginalized histories.

Center Attendant | UC Irvine Irvine, CA

August 2022 - August 2023

- I assist in the overall operation of on-campus residence resources (Community Center/Study Pavillion, Mailroom, Fitness Center, Housing Office).
- I interacted with nearly 500 students in order to provide educational and residential resources for on-campus living

Student Parent Orientation Program Staffer | UC Irvine Irvine, CA

March 2023 - August 2023

- I took part in welcoming over 6,000 incoming students at UC Irvine by serving as a residential and peer mentor
- I assisted in creating programs to ease students' transition to UC Irvine by familiarizing them with campus and its various resources
